DEDICATION

We, the Senior class of '71, would like to dedicate this yearbook to Mrs. Myrtle Hamilton for all the many, long, and diligent hours she has spent in the kitchen preparing hundreds of delicious meals. They were immensely helpful in keeping us going through long hours of classes. The wrestlers especially appreciated her tasty cooking after the long, hungry wrestling season.

FINISHED YET BEGINNING

1971 Class History

Today's society is a space-age one. Man has prepared for years and has now made a giant step to the moon. The class of '71 is now, too, ready to take the giant step out of high school and into the future. But we also have prepared and learned for years.

In 1958, nineteen girls and thirteen boys entered school for their first stage of learning under the direction of Mrs. Rabedeaus. They were Betty Bang, Carolyn Carr, Donna Evans, Barbara Goodnow, Carolyn Hamilton, Ann Harbison, Pennie Kerr, Sandra McKinney, Lois McKeown, Mary Nichols, Patricia Noss, Connie Thomas, Martha Vickers, Cathy Weikert, Jean Wick, Jill Wick, Michelle Wilson, Cindy Heisler, Carol Ann Brown, Leonard Biggerstaff, David Barth, Raymond Delzell, Kim Hewitt, Nick Hobbs, Jon Inghram, Kenneth Knight, Mike Knight, Doug Lee, Kurt Stevens, Jeff Tackenberg, Jeff Wilkerson, and Jimmy Smith.

The next stage found the class under the guidance of Mrs. Freeda Beck. Several new students were added to the roster. They were Marie Lambert, Wayne Anderson, Rick Calvin, Billy Taylor, and Roger Innis. Steve Patton entered but later left during the year. Others who left were Barbara Goodnow, Michelle Wilson, Carol Ann Brown, and Mike Knight. During this year, the class was saddened by the death of Patricia Noss.

Mrs. Elva DeYarman became the next commander. Alan Giese became a member of the group and Michelle Wilson re-entered. Those who got off at this stage were Sandra McKinney, Jean and Jill Wick, Kenneth Knight, Jeff Tackenberg, and Wayne Anderson.

Susan Parkhurst joined the class at the third stage. Richard Murphy also joined the class but left later in the year, and Jeff Tackenberg re-entered. Mrs. Hetherington was the instructor at this stage of our learning process. Roger Innis was the only student to leave during the year.

Miss Luella Brown was the next teacher for the eager pupils. Susan Richardson was the only new student and no one left.

The next year the students walked up two more flights of stairs to come under the guidance of Mrs. Mildred Caldwell. Lynn Noble, Donna Garnsey, Dennis Dietrich, Richard Richardson, and Roger Garnsey all joined the crew while Betty Bang and Billy Taylor moved on. Two other students, David Oyster and Donald Norton came and left during the year.

Flying out of the grade school found the students landing in the high school. In the sixth stage of our learning, Mary Branscom, Steve Boline, and Bruce Lundvall joined our efforts. Susan and Richard Richardson, Lynn Noble, and Jeff Tackenberg, moved during the year.

The seventh stage had no new members and saw the loss of four boys. They were Kurt Stevens, Rick Calvin, Steve Boline, and Bruce Lundvall.

Shirley Strawhacker became the only new member of the class at the eighth stage. Those who left were Mary Branscom and Cindy Heisler.

The last leg of the training schedule began with the entrance of the class into high school. The ninth stage found two new members entering the class. They were Merlin Rohde and Larry Pulse. Two students left before the next school year. They were Donna Evans and Mary Branscom.

The next year found four new students in the class. They were Candace Cunningham, Sandra and Ginger Hilliard, Dennis Tillotson, and David Rice. Four students who left were Michelle Wilson, Donna Garnsey, Ginger Hilliard, and Roger Garnsey. Dale Schmidt entered and later left.

Three students, Charlotte Tomson, Greg Beights, and Robert Hobbs, joined the class during the eleventh stage, but Greg Beights and Robert Hobbs were only with the group a short time. Other students to leave were Candace Cunningham, Sandra Hilliard, Merlin Rohde, and Dennis Tillotson.

The twelfth and final stage started in 1970 with 25 students, including our foreign exchange student Doris Nachtigall. Of the 32 students who started kindergarten back in '58, 16 went through all the grades together. The class has worked and studied hard (most of the time) to reach this final frontier. We have left only to graduate and become conscientious citizens of the world. Truly we are "Finished Yet Beginning".

ADMINISTRATION

The 1970-71 school year found Mr. Bishop rejoining the Administrative Force after a two year absence from the system. The class of '71 would like to thank him for his inspiring pep talks through-out the year. We hope that we have made this year a pleasant one for Mr. Bishop.

Superintendent

Lead and We Will Follow Principal

Mr. Wayne D. Allen has served as principal of M.S.H.S. since 1965. Mr. Allen has been a fine leader for our High School. The Seniors of '71 would like to thank Mr. Allen for all his work.

Secretary

Susan Smith

The class of 1971 thanks Mrs. Smith for the wonderful job she has done. Mrs. Smith, how do you get it all done?

Homecoming Queen Ann and
King Jon led the parade

Homecoming '70 started out with a big bang on Monday morning and continued throughout Friday. During the week the Student Council and Cheerleaders planned various activities in which the student body could be involved. Monday was Wackiest Hat and Hairdo Day. The students had the opportunity to design and model their talents. The atmosphere was a bit different Tuesday. Everybody boosted the homecoming spirit by wearing what they pleased. The next day was No Touchdown Day. The object the cheerleaders wanted to get across was no touching allowed all day! By Thursday the Homecoming Fever had got a hold of everybody and Blabbermouth Day turned out a success. It seems several of the girls got caught talking several times during the day. Thursday night the students gathered at the high school for the bonfire. The captains of the football team, Doug Lee and Jeff Wilkerson, had the honor of giving a short speech. Mr. Guinn also had the privilege of speaking. The cheerleaders then led the crowd to cheers and the school song which was followed by the burning of the "Highland Husky". At the close of the bonfire the awards were given to the students who won the contests throughout the week. Friday everyone wore the school colors of green and white to school to honor Green and White Day. Following lunch classes were dismissed early and students and teachers met in the gym for a short pep meeting and two skits which were open for the public. The Coronation immediately followed in the gym with Kim Hewitt, Master of Ceremonies. Mr. Nelson crowned Jon Inghram and Ann Harbison Homecoming '70 King and Queen. The Homecoming parade got under way at 2:00 and was another big success. 7:30 was kick-off time for the Tigers with the Highland Huskies. The Tigers played a tough game but lost 14-0. Following the game the Alumni were special guests at the Homecoming '70 dance with the Lost Creed providing the music. The Homecoming week was a very busy week and a lot of hard work but all the efforts were worth it in order to make this Homecoming one that will never be forgotten.

Sports and Activities

Football

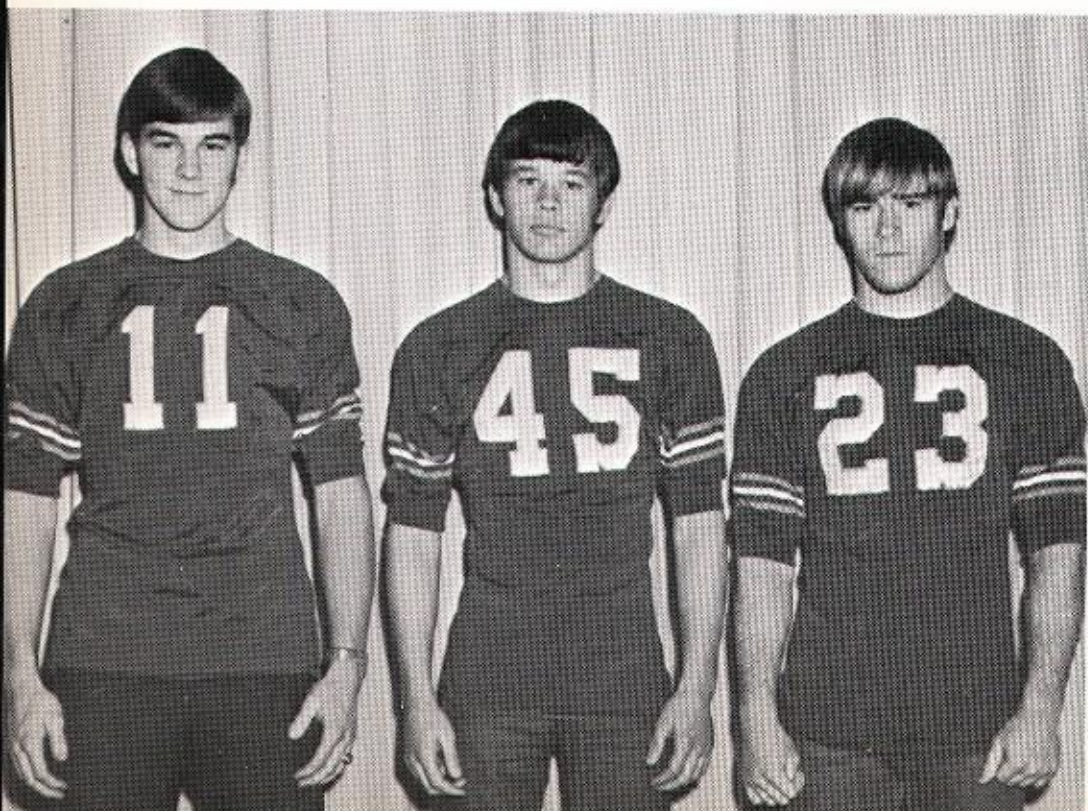

The 1970 Football squad put out 100% in each game but won only 2 games. Despite their losing record we are very proud of the football team. Who will forget the celebration after they won the Danville game? (a night to remember). A lot of Tiger spirit and 2 great coaches helped the Tigers finish what was to us, a successful season.

The Tigerettes got off to a slow start this season losing some close ballgames. About the middle of the season things started picking up and they won some close ones. They lost out in sectional play getting beat by Sigourney. They had a pretty good season considering all the injuries they suffered through. The yearbook staff is proud of the 1970-71 Tigerettes.

The Tiger Grapplers completed another very successful season in 1970-71. The season record was an impressive 9 wins and only 1 loss, losing a 2 point match to the undefeated New London team in the 2nd match of the year.

Tournament competition was also successful for the Tigers as we placed no lower than 3rd in the Invitational tournaments and took 2nd in Conference and 1st place in Sectionals. Tournament champions for the Tigers were:

Tim Johnson- New London Invitational; Van Buren Invitational; Conference; Sectionals and District.

Doug Lee- New London.

Bruce McClure- Conference and Sectionals.

Raymond Delzell- Van Buren Invitational.

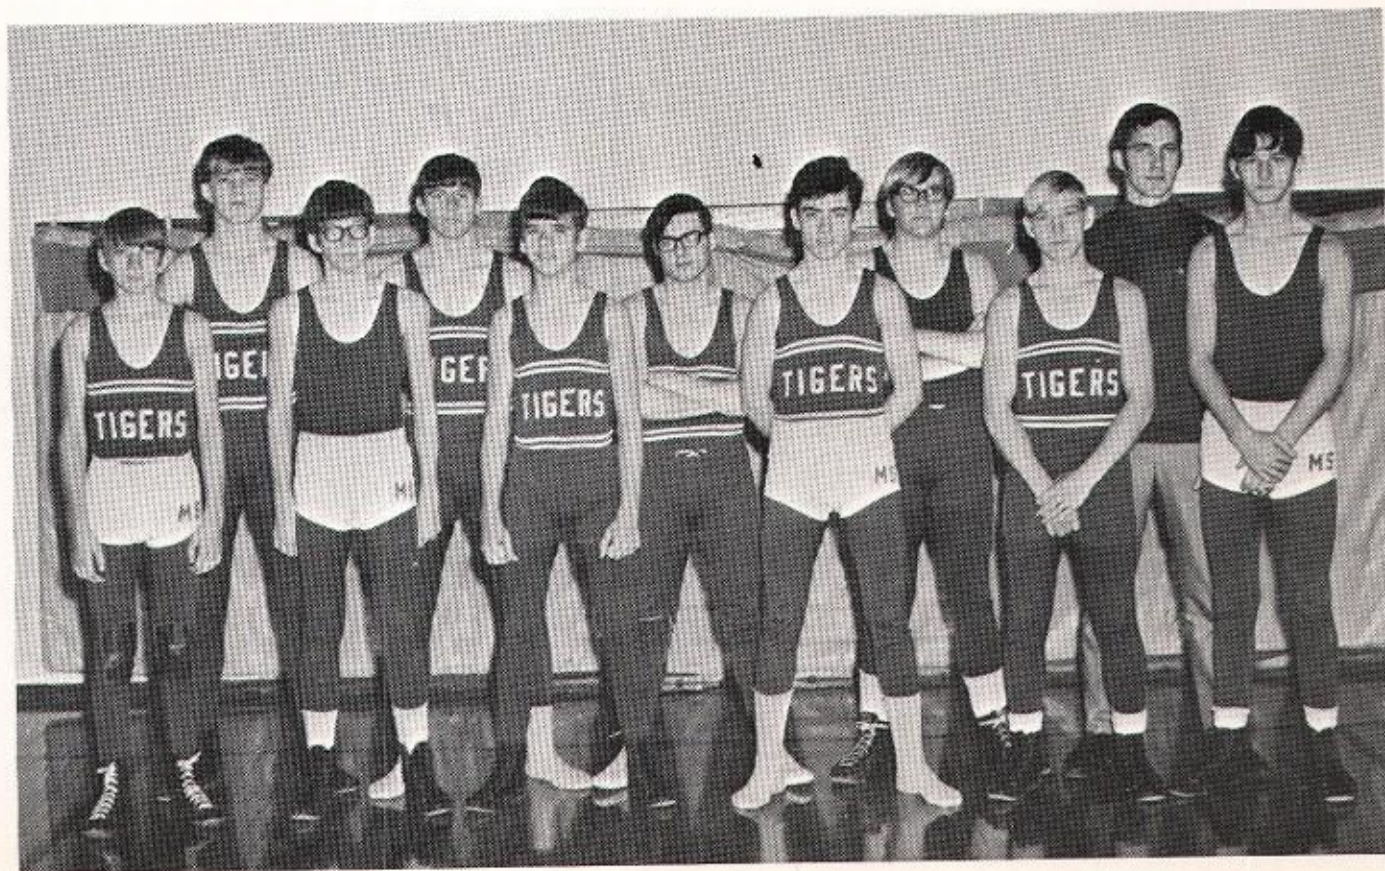

Nick Hobbs- New London Invitational; Van Buren Invitational; Conference; Sectionals and District.

The Sectional Tournament at Morning Sun was the high point for this year's team as every wrestler gave 100% and the Tigers wrestled their way to the 1st place tie with New London, who had only a week earlier romped away with the Conference trophy. Six wrestlers advanced into district competition at New Sharon by placing 1st or 2nd in the Sectionals. They were: Bruce McClure 98 lbs. 1st; Tim Johnson 105 lbs. 1st; Doug Lee 119 lbs. 2nd; Nick Hobbs 126 lbs. 1st; Raymond Delzell 145 lbs. 2nd; Dennis Dietrich 185 lbs. 2nd.

In district competition the Tigers ran into some very tough wrestlers and some had hard luck as they managed to advance only 4 wrestlers through the 1st round. Nick, Doug, Dennis, and Tim, with only Nick advancing to the State Tournament by capturing the 126 lb. district Championship.

So it was Nick Hobbs, Morning Sun's only entry into the State Meet at Ames, Feb. 25. What can a team say about a boy who has led his team to consecutive victories over the past 4 years and who has been to the State himself 3 years in a row, placing 3rd his sophomore and junior years. This year, though, Nick lost out in the first round. But even though he wasn't a winner at this year's State he was certainly a winner as a Tiger, winning 99 career matches, more than any previous Tiger, and losing only 6, all his losses coming at the hands of other State competitors. Nick was a great Tiger captain and will always be remembered for his wrestling skills.

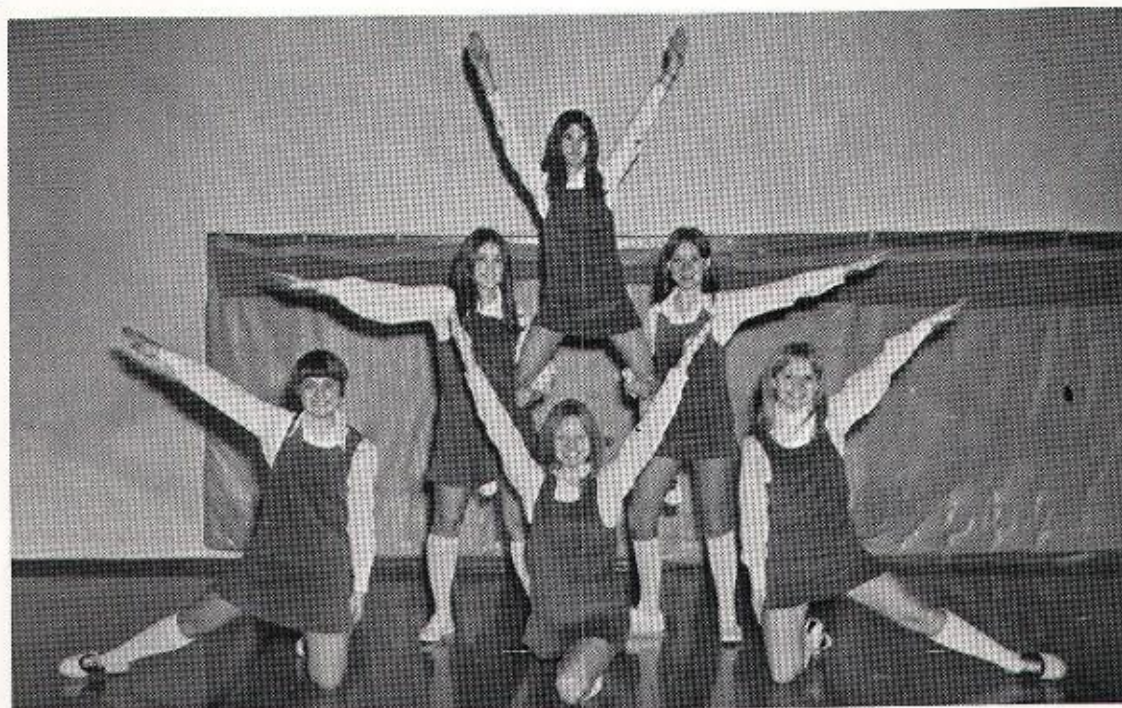

In three years under Coach Guinn the team has compiled a 26-2 mark and have been Conference Champs twice; Sectional Champs 3 times and have placed 3rd in the state, 2 of these 3 years. Coach Guinn was an inspiration to the Tiger teams he coached and the Tigers are grateful for his fine guidance and contribution to the great tradition of Morning Sun wrestling.

Back Row--April Kerr, Debbie Hall, Rhoda Hostetter, Pat Caldwell, Nancy Harris, Rhonda Wilkerson, Connie German, Terry Delzell, Elaine Carlson, and Betty Tomson.

The girls' softball season may not have been one of the best, but it was enjoyable. The team played six double-hitters, losing one and splitting the other five. The team lost two tournament games to Durant at West Liberty at an invitational and Harmony at Mt. Union during sectionals. Overall the season's record was five wins and nine losses.

New Records Set

The girls ended with an even 11-11 won-lost record in dual, double-dual, and triple-dual competition while the boys had a 7-13 season record. Both squads finished 7th in their invitational tournaments and 6th in the sectionals.

New school records were set for 18 hole individuals (Wayne Johnson with an 80 and Karla Hamilton with a 98), 18 hole team competition, (346 for the boys against Aquinas of Ft. Madison with Wayne Johnson, Kevin Hall, Tom Klaus, and Tim Johnson scoring and a 436 for the girls at the sectional tournament with Karla Hamilton, Carla Sands, Martha Vickers and Judy Sands scoring. The boys set a new 9 hole record of 167 in the Aquinas meet. A new 9 hole school individual record was set by Kevin Hall and Tim Johnson in a double dual at Indian Hills against Wapello and Columbus Junction and then Tim again tied the mark in the double dual against the same two schools at Cedarcrest Country Club in the last meet of the season.

Local golfers took medalist honors or tied for the honors 25 times this year. Leading this distinguished list was Kevin Hall with 7 for the boys and Karla Hamilton with 10 for the girls. Other medalist winners were Tim Johnson, 5, Carla Sands, 2, and Martha Vickers, 1.

The squad lost Martha Vickers, a three year letter winner and Raymond Delzell, a one year letter winner by graduation. The boys and girls left will be participating in club, district, junior, and state golf tournaments this summer in preparation for next spring's March 29 tee off. A good season was held this year and everyone is looking forward to a better one next year.

Future Einsteins?

This is the fourth year for the Science Club. They held their annual Science Fair in the Spring. Their individual projects make Science easier to understand. On the following page are pictures of the Science Club and their projects.

Dave Vickers' projects showed the effect of ultraviolet light on plants and the effect of black light on pictures.

Dwight Pierce had an advanced collection of fossils. In addition, he worked on a project with Kirk McElhinney. The two boys hatched several chicken eggs in an incubator.

Science Fair

The 1971 Science Fair came off successfully with a variety of projects shown by the members of the Science Club. The projects dealt with plants, animals, rocks, and other subjects. Other students had exhibits but are not shown. Terry Delzell and Denise Woodruff worked together and displayed a skill test which tested the steadiness of one's hand. Leonard Biggerstaff's project dealt with sound waves. By using an oscilloscope Leonard picked bass notes and tone variations off a tape recording. Lois McKeown was also a member of the Science Club but was unable to appear at the Science Fair. But, she assisted Terry and Denise on their project. All the students worked diligently on their projects and together they made the Science Fair an educational experience.

Bill Tomson is shown with his project which was an advanced collection of fossils. It showed the various age groups of the rocks. Bill also showed a freak pig which had the beginnings of a second head.

One of Kirk McElhinney's projects concerned taxidermy. He tanned part of a black angus cowhide and showed a mounted cougar head. He also helped Dwight with the hatching of the chicken eggs.

Now, let's get down to business. We'll work plan AA tonight!

After much thought and hard work, the Junior class recaptured a part of the Seniors' childhood by constructing a playground out of their own memories, complete with sand pile, wishing well, teeter totter, swings, and an ice cream stand. The "Wild Cherries" brought a beautiful evening to an end by providing the music for the dance.

The 1970-71 Junior High basketball team provided their fans with numerous thrills. After an exciting 27-24 win over Danville in the season opener, the young Tigers went on to stretch their record to a three and one mark after four games. Flying high after a fine start the cubs went into a tailspin causing a season ending three game losing streak. Win or lose we in Morning Sun are proud of these young men who gave their best to all opposition.
